KinoPharma Participates in the 2026 Japan-Taiwan Innovation Summit

On Tuesday, August 18, 2026, Masafumi Kuroishi, President & CEO of KinoPharma, Inc., attended the 2026 Japan-Taiwan Innovation Summit at Shibusawa Hall, Tokyo Chamber of Commerce and Industry, in Tokyo.

Hosted by Startup Island TAIWAN under the supervision of Taiwan's National Development Council (NDC), the Summit was held under the theme "Together, Go Big," bringing together startups, investors and government representatives from both countries for presentations on AI, semiconductors, biotechnology and related fields.

At the Summit, KinoPharma had the opportunity to meet with senior officials from Taiwan, including Dr. Chun-Hsien Yeh, Minister of the National Development Council (NDC); Mr. James C.J. Hsiao, Director General of the NDC's Department of Industrial Development; and Dr. Andy T.A. Wang, Executive Secretary of the National Development Fund, Executive Yuan. KinoPharma introduced its business and drug discovery activities,

KinoPharma will continue its dialogue with partners in Japan and abroad in its pursuit of innovative medicines.
